Man-Personal Accuracy

(BACKGROUND)

Phila Inq. 12/25/66:

"My sole concern is to write a thorough account which will stand up - which will be in libraries and which historians will use as a basic work."

"Manchester said he had been guided in his work on the book by the late President's 'standards and excellence'."

'I believe John Kennedy, who was himself an historian, etc. if this is not in intro or foreward i is end Inq. story. Quote and Comment on it.
